

MAY 22-24, 2021

IPMV 2021 HONG KONG

2021 3rd International Conference on Image
Processing and Machine Vision

Supported by

IMPORTANT DATE

Submission Deadline:
January 5, 2021

Notification Date:
January 25, 2021

Registration Deadline:
February 10, 2021

CALL FOR PAPERS

Image Processing

- Sensing, Representation, Modeling, and Registration
- Synthesis, Rendering, and Visualization
- Texture Image Representation and Classification
- Computational Imaging
- Restoration and Enhancement
- Filtering and Multiresolution Processing
- Interpolation, Super-resolution, and Mosaicing
- Compression, Coding, and Transmission
- Color, Multispectral, and Hyperspectral Imaging
- Document Analysis and Processing
- Stereoscopic, Multiview, and 3D Processing
- Image & Video Perception and Quality Models
- Motion Estimation, Registration, and Fusion
- Deep Learning for Images and Videos
- Learning with Limited Labels

Machine Vision

- Statistics and machine learning for vision
- Face and gesture recognition
- Early and biologically inspired vision
- Segmentation and grouping
- Image processing techniques and methods
- Texture, shape and colour
- Illumination and reflectance
- Deep learning for vision
- 3D computer vision
- Document processing and recognition
- Vision for visualisation, interaction, and graphics
- Video analysis for action and event recognition

PUBLICATION

EI COMPENDEX AND SCOPUS INDEX

[IPMV 2020 Conference Proceedings](#) | ACM (ISBN: 978-1-4503-8841-2)

Accepted and presented papers will be published into Conference Proceedings 2021, which will be submitted and reviewed by Ei Compendex and Scopus Index.

SUBMISSION METHOD

Electronic Submission System(Click [here](#))

Paper Template-Download(Click [here](#))

Note:

Articles submitted to the Conference should meet these criteria and must not be under consideration for publication elsewhere.

If you just want to make a presentation in IPMV 2021, please submit your abstract only.
